

Harvest Moon - Neil Young

INTRO D

VERSE Em D Em D

Come little bit closer Hear what I have to say
When we were strangers I watched you from afar

Just like children sleepin' We could dream this night away
When we were lovers I loved you with all my heart

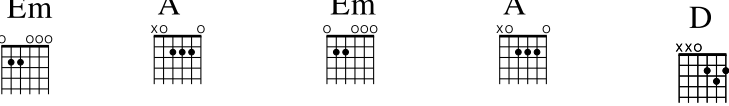

G D G D

But there's a full moon risin' Let's go dancing in the light
But now it's gettin' late And the moon is climbin' high

We know where the music's playin' Let's go out and feel the night
I want to celebrate See it shinin' in your eye

CHORUS Em A Em A D

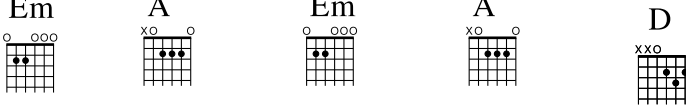

Because I'm still in love with you I want to see you dance again
Because I'm still in love with you On this harvest moon

HARMONICA SOLO G D G D

LAST CHORUS Em A Em A D

Because I'm still in love with you I want to see you dance again
Because I'm still in love with you On this harvest moon
